To Our Friends and Partners,

Let’s celebrate another year of generosity at Placer Community Foundation (PCF). Whether it was from annual gifts, provisions in your estate plan, gifts of stock or IRA distributions, your support made an impact in many areas including hunger, education, healthcare, animal welfare, youth development, and disaster relief.

Your donations supported a record number of students (many of which are the first generation to attend college) with scholarships to advance their education. And we saw bright moments when our donors rallied to provide resources to many students challenged with readiness for school due to homelessness.

It is worth mention that so many of you have locked arms with us as we raised awareness of the affordable housing crisis and utilized our connections and expertise to bring people together to listen, problem solve and take action. Policy changes on a local level will increase the supply of affordable workforce housing and we are grateful that you are willing to lean into this issue with us to keep our community strong.

A strong community requires collaboration and dialogue. To that end, we made grants from our Community Needs Fund to support programs promoting civil conversations on issues that often divide us. Open dialogue and communication were key elements to this program.

With so many great causes to support in this world, we enjoy helping you give where your greatest passion lies. We are grateful to be your partner in philanthropy and pleased to present you with our 2018 annual report. Thank you for your continued generosity and for your commitment to work with us to build a strong community.

In gratitude,

Larry Welch
Chairman of the Board

### Generations of Giving Back

Giving back through PCF is a Jansen Family tradition, marked today through Bill and Jenny’s recent establishment of the *Jansen Family Fund for Youth*.

Bill’s father, Bill Jansen, Sr. was one of the original board members of Auburn Community Foundation. His service helped the board’s eventual transition into Placer Community Foundation. In addition his cousin Elizabeth Jansen also served on the board and continues today as an Emeritus Board Member.

“Our family has always been community oriented and we knew our donor intent would be honored the way we wanted at PCF,” states Jenny.

Bill and Jenny were both raised in Auburn and graduated from Placer High School. Bill owned a service station for several years and then went to work at Placer Sierra Bank where he worked for 41 years before retiring in 2004. After they were married in 1956, they had 4 children and now have 6 grandchildren and 4 great-grandchildren! Jenny stayed at home while the children were small and then spent 20 years as a floral designer for Bryan’s Florist. She later became involved in the Assistance League of Greater Placer and her focus has always been on supporting our youth.

“When you have children you typically become aware of where the need is and we are blessed to be able to give to those needs,” Jenny shares.

Both Jenny and Bill are very passionate about kids and family. Utilizing their Charitable Remainder Trust, they opened the *Jansen Family Fund for Youth*, a field of interest fund which entrusts PCF to direct grants to impact youth who struggle through obstacles beyond their control.

Today, Bill is very active with the Auburn Rotary Club which he joined in 1965 and Jenny enjoys playing bridge with friends and volunteering with Sight Word Busters. They celebrated their 63rd wedding anniversary this year! They celebrate a full and rich life, in which community is included as part of their family and is nurtured as their own.

**Rick and Kathy Saletta**

### Staying Connected to Community

Married for 32 years, Rick and Kathy Saletta have lived in Newcastle since 1980. They live on eight acres with goats and dogs. This is a life they built through extensive careers in service to youth facing monumental struggles of mental health, abandonment, and neglect. Today, their legacy of service lives on through their giving at PCF.

Kathy taught through Placer Union High School District in their special education program, working with adolescents with severe emotional problems. It was through this work she met Rick. Rick ran an adolescent unit at Napa State Hospital, and was hired by Placer County Mental Health where he was part of the long, growing evolution of services that are in place in Placer County today.

When it came time to retire, Rick and Kathy wanted to give back in a way that aligned with their goals for improving the lives of children and families. Rick became a board member at PCF and they both established the donor advised *Rick and Kathy 4 Kids Fund*. In addition to making grants from their fund, they are members of PCF’s Giving Circle, which supports a Youth Development grant program. Rick says, “It’s very gratifying to see programs we’re funding that are thriving—when in the past we struggled heavily to keep them alive.”

When reflecting on their years of community service, philanthropy was a logical next step for the Salettas. “I think people retiring from teaching, community service, etc. want to stay connected to what’s going on in their community,” states Rick. “PCF is a good way to do that and to get involved.”
Grants Awarded to Promote Civil Discourse

Open dialogue and communication are key elements in maintaining a healthy, connected community. Grants awarded from this program promoted civil conversations about issues that divide us and are often contentious and difficult to sort through. Participants focused on racial healing, leadership, homelessness and the complex ways we are connected to other people.

Nonprofit Initiative Provides Training and Support to Local Organizations

PCF provided 1,900 hours of training and technical assistance to nearly 100 local organizations. Experts provided training on topics including management practices, marketing, board governance, and fundraising. These trainings strengthen a vital nonprofit sector, ensuring their quality services are delivered to those that need it most.

Housing Advocacy

An astounding 42 percent of Placer County residents are paying more than 30 percent of their earnings on housing. Thousands of locals are struggling to live and work here. Many move out of the area and others are forced into overcrowded housing or worse. Our community deserves better. PCF is the driving force behind Placer Housing Matters, an initiative to draw attention to the housing crisis in our community. PCF leadership joined a coalition of stakeholders to look at program investments, regulatory incentives and policy changes to improve housing affordability. There is much more work to do. To get involved please contact info@placercf.org.

$198,000 Gift to Shriners Hospital Hand Program

PCF granted Shriners Hospitals for Children - Northern California $198,000 to benefit its pediatric hand program. The anonymous donors established a Donor Advised Fund at PCF so they could take time to meet with the team at the Shriners Hospital in Sacramento and learn how the program would benefit children now and in the future. The generous gift will enrich the lives of kids treated at Northern California Shriners Hospital, giving them an opportunity to live life to their full potential.

PLACER COMMUNITY FOUNDATION
70 Years of Giving
The family of PCF donors, board of directors, committee members, and staff came together to celebrate 70 years of community giving.

“Everything PCF does today is possible because of two forward-thinking individuals, M.S. and Esta Beecher,” shared Veronica Blake, PCF Chief Executive Officer. Their unrestricted gift seeded the Foundation in 1948. Over the decades, donors have made significant community impact.

Camp Fire Relief
As news of the Paradise Camp Fire tragedy unfolded, PCF rallied financial support for the thousands impacted. PCF’s Board of Directors and donors quickly responded and made grants in support of Camp Fire relief and recovery efforts.

FOR SUCCESS
Opening Conversations with our LGBTQ+ Community
Nonprofits, healthcare organizations, government agencies, and educators attended Placer Collaborative Network’s forum to talk about LGBTQ+ issues. The focus was to increase knowledge and understanding of this demographic and to learn how to create a safe and inclusive space for all. A panel shared their experiences and small group discussions allowed for informative and respectful conversations.

Placer Community Foundation Awards Local Students $109,000 in Scholarships
A record 100 students received college scholarship awards from PCF in 2018. The Ben Parra Scholarship was awarded to Karina Mauricio Juarez of Lincoln High School to attend California State University, Chico. Karina is majoring in English with a goal of becoming a teacher. The John G. & Lillian M. Walsh Scholarship Fund granted $46,000 to provide scholarships for Auburn area Sierra College students who are transferring to 4-year colleges or universities, and those who are participating in the Sierra Promise program. Other scholarship recipients are pursuing an array of interests, including engineering, mechatronics, neurobiology, theater, and welding. Many of these students didn’t think college was possible, but now it’s a reality.
